

Hello Everyone,

My name is Spencer Sandow and I am in my third year working as the college recruiting coordinator for the Midland Soccer Club. I look forward to getting to know you more regardless of if your son or daughter ends up playing in college or not.

On Tuesday, August 22 at 8PM we will be hosting a zoom presentation for players and parents. The presentation will give a brief overview of the recruiting process and cover different topics related to that. See below for some of the list of topics that will be discussed:

- Academics
- College Eligibility
- Scholarships
- Important things to look for in a college
- College soccer levels & playing expectations
- How to start looking
- How to email a coach
- Player Timeline

I would like to continue to be accessible this year and want everyone to know they can contact me about anything related to college recruiting even if I do not directly coach your son or daughter. Between George, myself, and other coaches on staff we have a lot of college experience and connections. The more I know about your son or daughter the more I can talk to other college coaches on their behalf.

I look forward to getting to know you this upcoming Fusion soccer year and if you have any questions, please let me know. I look forward to seeing you on Tuesday, August 22 at 8PM.
